

The miracles of science™

GENUINE BRINK®

Mist eliminators for chlorine plants

OVER 40 YEARS OF HANDS ON INDUSTRY EXPERIENCE

FEATURES AND BENEFITS:

WET BRINK®

- Eliminates brine carry over
- Improves drying tower performance
- Reduced sulfuric acid consumption

DRY BRINK®

- Extends compressor life between rebuilds
- Eliminates sulfuric acid carry over
- Enhances chlorine purity

HYDROGEN BRINK®

- Stops caustic carry over
- Achieves higher hydrogen purity
- Eliminates hydrogen burner fouling
